(V) - vegetarian

If you have any allergy, intolerance or specific lifestyle choice, we've got ingredient information available upon request. We prepare our food in areas where allergenic ingredients are present, so it's impossible for our dishes to be 100% free of their traces.

Because we work with fresh food our supply and recipes can change on occasion — make sure to check with your server before you order.

Wow, you're still reading this? We love your dedication! Just one more thing: if you have any comments, feel free to send them to feedback@thecommonsrestaurant.com. We can't wait to see what you thought, but for now, enjoy your meal!
