Our free-range eggs

We don't know what came first – the chicken or the egg – what we do know is that the first one was free-range. Our eggs are from local suppliers who let their happy chickens roam freely, resulting in some incredibly tasty eggs.

Is it time for breakfast yet?

Allergens

Not all ingredients are listed, please inform your server about food allergies that you have.

Our food is prepared in both our own & suppliers kitchens that handle allergens, and our Restaurants & Bars are busy places, so we can't guarantee that our food and drinks are allergen-free.

Our Allergen Guide contains a list of all the products we use. Please feel free to ask a member of our team to provide you with a copy to read.
